

holodeck

ours

Create a room with a bed against the wall, a side table with a lamp to its left and an armchair with a plant beside it. Add a desk facing the wall with a chair and a floor lamp.

Generate a room with an island in the center, two bar chairs on its side, and tableware on top. Add kitchen cabinets, a fridge, and a dishwasher along the wall.

Create a room with a sofa and two armchairs around a coffee table. Add a side table with decorations next to it. Arrange a workspace, plants and cabinets along the wall.
